

Spot the Cookies

The Cookie Monster needs your help! Throughout the lesson there will be some cookies hidden throughout the work! It is your mission to find the cookies and make a note about the work to remind you where it was hidden! Along the way there will also be extra points if you can spot how many times the key word/s for the lesson appears! Total your points at the end of the lesson and we will see who wins! Good luck!

Keyword	Points	Tally	Total
	7		
	9		

Challenge: Can you spot how many other key words appeared during the lesson for a bonus point for each keyword?
