

Bauble Puzzle 2

Santa has lost his calculator! Find the values of each of the baubles and find the sum of them all to discover the target number.

James and Beth share £490 in the ratio 1:13
How much does Beth receive?

Find the 50th term of the sequence:
6, 9, 14, 21, 30

Complete the sum:
 $0.5\dot{6} + \frac{43}{30}$

Find x

Work out the volume.

Estimate the volume of a sphere with a radius of 4.24cm
Volume = $\frac{4}{3}\pi r^3$

$\sqrt[3]{27 \times 27 \times 10^9}$

Find the sum of each of the target numbers

=
